

## Keeping you Safe at RTS Cambridge 2021

Although the Government has eased Covid restrictions, the Society is conscious that some Convention guests will still understandably have concerns about Covid-19. The RTS would like to reassure those attending that we will be taking all necessary measures to ensure your safety while in Cambridge and would appreciate if you would take a few moments to consider the below.

Our priority is to keep all of us, our families, and colleagues safe. We will have a thorough programme to keep high-touch surfaces clean, our RTS staff will be undertaking regular flow testing and we will be passing this safety guidance to all attendees. We do suggest anyone attending also considers organising regular flow tests for their own protection. For your ease, here is a link to order tests, [Order coronavirus \(COVID-19\) rapid lateral flow tests - GOV.UK \(www.gov.uk\)](https://www.gov.uk/order-coronavirus-covid-19-rapid-lateral-flow-tests).

We encourage you to continue frequent handwashing and/or hand sanitizing while with us. Face coverings are not mandatory whilst at the Convention, but we would strongly encourage you to wear a face covering whilst at West Road Concert Hall. Should you or anyone you live with feel unwell in any way, we ask you to reconsider your attendance. In the case that symptoms develop while you are with us or after 48 hours of attending, please do get in touch with Jo Sampson, RTS Event Manager, 07958 371 060, so we can ensure others are safe and informed.

As a delegate at the RTS Cambridge Convention 2021, please be aware that the Society, the venues (West Road and King's College) and all suppliers to the convention, will be following the Government guidelines and advice and that they will be doing what is required to ensure your safety and to prevent any unnecessary spread of the virus. By attending, you also agree to follow any guidelines set out by the Society.

Keep safe and enjoy the days ahead!
