

RTS WEST OF ENGLAND FUTURES FESTIVAL 2021 in partnership with Bristol UNESCO City of Film 17th November, M Shed, Bristol

This is the fifth RTS Futures Festival, aimed at those wanting to find out more about the TV industry. There are a range of media organisations attending. Please chat to them, ask for advice and find out more about production in the region - and any potential opportunities. Don't forget to check out the screen for the timings of the short talks taking place.

Companies attending:

Drummer TV

An independent production company making distinctive programmes that engage audiences through compelling stories, great characters and honest insight. Productions include Gym Stars, My Best Friend Married a Warrior, British Workers Wanted, Summer in Lockdown

www.drummertelevision.com
