

## Keeping you Safe at The RTS NW Awards

Although the Government has eased Covid restrictions, the Society is conscious that some people will still understandably have concerns about Covid-19.

The RTS would like to reassure those attending that we will be taking all necessary measures to ensure your safety whilst at the event and would appreciate if you would take a few moments to consider the below.

Our priority is to keep all of us, our families, and colleagues safe. We will have a thorough programme to keep high-touch surfaces clean, our staff will be undertaking regular flow testing and we will be passing this safety guidance to all attendees. We suggest that anyone attending also considers:

- Taking a lateral flow test or PCR Test in the 48hrs before the event
- Bringing proof of a double vaccination either by showing your vaccination card, or via the NHS app on your smart phone. Link to how to do this shown here: <https://www.nhs.uk/conditions/coronavirus-covid-19/covid-pass/>

For your ease, here is a link to order tests, [Order coronavirus \(COVID-19\) rapid lateral flow tests - GOV.UK \(www.gov.uk\)](https://www.gov.uk/order-coronavirus-covid-19-rapid-lateral-flow-tests).

We encourage you to continue frequent handwashing and/or hand sanitizing while with us. Face coverings are not mandatory whilst at the event, but should you wish to wear your face cover, please do. Should you or anyone you live with feel unwell in any way, we ask you to reconsider your attendance. In the case that symptoms develop while you are with us or after 48 hours of attending, please do get in touch with Mercedes Crescenti, RTS Event Manager, 07852 944 586 / [rts@beautifulproductions.co.uk](mailto:rts@beautifulproductions.co.uk), so we can ensure others are safe and informed.

Please be aware that the Society, the venue (The Point, Emirates Old Trafford) and all suppliers, will be following the Government guidelines and advice and that they will be doing what is required to ensure everyone's safety and to prevent any unnecessary spread of the virus. We request that all those attending, agree to follow any guidelines set out by the Society.

Keep safe and enjoy the evening!
